

Gold Touch USB3.0 Type A/C dual display docking station

מק"ט: UDS-2H

תיאור המוצר

Type: Gold Touch USB3.0 Type A & C dual display docking station **Color:** Black **Overview:**

The USB3.0 Type A and C dual display docking station is designed for extra connectivity demands. With the docking station, you can extend the connection of a computer to more USB peripherals, Ethernet, the speaker and the microphone through one single USB cable.

With the built-in USB3.0 ports, the docking station enables you to enjoy the super speed data transmission between USB peripherals. Aside from USB3.0, this product is compliant with USB1.1/2.0 specification. You will be able to keep and use your USB1.1/2.0 devices as usual.

In addition, the docking station is equipped with video output. With dual HDMI ports, you can mirror your primary screen, or extend the Windows desktop allowing visibility of more applications at the same time. Enhanced expansion

capability plus the stylish appearance, this docking station with video is the most versatile accessory that also complements your home or office space.
