Type: Open-Ear Bluetooth Headphones & Noise-Filtering Microphone - Lingo Producer: Avantree Color: Black

Overview:

## **CRYSTAL CLEAR CALLS**

Equipped with a cVc 8.0 dual-mic noise-filtering boom mic, the Lingo effectively filters out excessive background noise to provide you with excellent microphone quality during your calls.

## **SURROUNDINGS AWARENESS**

With its open-ear design, the Lingo rests on your ears without covering them, so you can hear your audio and your surroundings at the same time without disturbing anyone around you.

## **ROTATING MIC**

The Lingo's boom mic can rotate 240 degrees, allowing you to easily "store" it when it's not in use. The mic also features a built-in mute switch, so you can mute your mic without meeting softwares revealing your mute status.

## **QUALCOMM APTX**

Enjoy exceptional sound with our wireless headset featuring energy efficient Qualcomm aptX technology. Stable connection, auto-reconnect, wide compatibility and high definition audio.

## **EXTENDED PLAYTIME**

A battery life of 12 hours talking time or 10 hours playing time provides you with sufficient battery life to last you throughout the day.
