### Overview:

Wireless USB Adapter & Headphone Set with Detachable Boom Mic

Avantree DG59M is a Bluetooth audio set solution comes with a detachable boom mic, perfect for wireless gaming/ in-game chatting and watching movie on PC, it can provide you an incredibly easy way to get best wireless audio experience ever!

### Enhance chat clarity in-game

Updated from DG59 wireless gaming set, comes with a detachable omnidirectional boom microphone. Thanks to the advanced design, this mic helps pick up sounds clearer and ensures impeccable voice quality is delivered, the exquisite mute switch on the boom mic can help you super easily mute your voice in seconds, perfect for in-game chatting and voip calls on PC

### Games, PC movies & more

Whether you are binge watching your favorite movies, playing the game on your PS4, Nintendo switch, Windows PC or Mac, our set includes both wireless headphones and a transmitter to enhance your listening experience!

### No more delay

The most annoying thing about using headphones to play games or watch movies is delay. Featuring fast stream technology, our headphones minimize This delay (<40ms delay) to Non-Detectable levels so you can enjoy your games at their best.

### Plug & play

Our headphones and transmitter set offers a true plug and play experience as they arrive pre-paired. No need to worry about installing drivers or other complicated installs - just A simple solution to your gaming needs.

### Extended play time

Swivel ear cups design with an additional carry pouch, you can take them to everywhere with you.
