

# PCIe Card 1Gbps Ethernet LAN

מק"ט: SU-PCIE-GIGA

## תיאור המוצר

Description:

- 100% Brand New.
- Gigabit Ethernet card makes you enjoy super fast Ethernet connection!
- Stable and reliable chip RTL8111E
- Compliant with Single-Lane (x1) PCI-Express specification revision 1.0a
- Supports 2.5Gbp/s throughput PCI-E with full duplex channel.
- Support 1000BASE-T, 100BASE-TX, and 10BASE-T.
- Compatible with IEEE 802.3,802.3ab,802.3u, 802.3x, 802.1Q, VLAN
- Support Full Duplex Flow Control (IEEE 802.3x)
- Compatible PCI 2.1/2.2
- PCI Express x1 interface , compatible with PCI Express x1, x4, x8, x16 slots
- Automatic speed negotiation and smart speed shift down.
- One external RJ-45 female connector available

- Supports plug and play
- Bus-powered mode and no external power required.
- Automatic Crossover Detection and Correction Supported
- Support full duplex mode that doubles the network connection
- Connect more devices easily & quickly to your computer!
- OS support: Windows 2000, 2003, XP(64-bit), Vista(64-bit), Win 7,Win 7( 64 bit)
