

USB3.1 Type-C Dual Video Docking Station

מק"ט: ST-U-1170

תיאור המוצר

Description

This USB 3.1 Type-C to Dual Video Docking Station enables multiple USB devices to be connected to the computer using a single USB 3.1 Type-C cable. Now with one simple cable connection to your computer you can have access to large screen display, stereo speakers, SD & MicroSD card reader (model dependent), external hard drive, optical disk drive, printer, USB keyboard and more.

Just plug in the USB 3.1 Type-C to Dual Video Docking Station to available USB Type-C port on your laptop and your displays and accessories will be active in seconds. To undock, simply unplug the one cable and go.
