Type: Torpedo Plus - Mini Soundbar Bluetooth Speaker **Producer:** Avantree **Color:** Black **Overview:**

Bluetooth Sound Bar AptX Low Latency

aptX Low latency, DSP (Digital signal processing) with superb sound & audio clear mode,

3D surround stereo sound, Ultra bass, wireless home speaker for TV, PC, cellphone, iPad etc

Superb sound

Superior sound with DSP technology. Featuring two powerful 5-watt speakers and the bass radiator over dual channels, Torpedo Plus delivers a full range of sound in even the smallest areas.

Three modes

Whether you are watching a movie or listening to an audio book, Torpedo Plus is built with Digital Signal Processing and gives you the option of 3D Surround Sound, Bass Mode or Balanced Audio Mode. Use with your laptop or your TV without taking up much space.

No lip sync delay

When used with an apt-X-LL enabled transmitter, Torpedo Plus delivers high-quality sound in perfect synchronization. Simultaneously stream audio with virtually no lip-sync delay while watching TV, movies or music.

Best of Bluetooth

Featuring 4.2 wireless Bluetooth technology, Torpedo Plus easily connects to your Bluetooth-enabled phone, laptop, iPad, Amazon Echo or Echo Dot and gives you full control of the sound.

Portable

Portable around your house! Excellent for listening while away from your phone doing chores. Lightweight and compact size make it easy to bring with you anywhere.
