USB 3.0 Docking Station

מק"ט: ST-U-850

תיאור המוצר

Description:

U-850 USB 3.0 Docking Station enables multiple USB devices to be connected to the computer using a single USB 3.0 cable.

Now with one simple cable connection to your computer you can have access to large screen display, stereo speakers, external hard drive, optical disk drive, printer, USB keyboard and more.

Just plug in the USB 3.0 cable from the USB 3.0 Docking Station to any USB 3.0 or USB 2.0port on your laptop and your displays and accessories will be active in seconds. To undock, simply unplug the one cable and go.

Features:
