Enjoy a full range of rich bass, clear treble and well balanced midtones blended perfectly to enhance your listening pleasure

Rich stereo sound

Featuring aptX Hi-Fi technology, our industry leading headset allows you to experience crystal clear sound-with minimal delays.

Up to 40h

Unlike other headphones on the market, ours are designed for long term use. Featuring a long lasting battery with up to 40 hours of playtime, our headphones are ideal for travel.

Super comfortable

Designed with you in mind, our headphones feature ultra light, super soft protein earpads and an adjustable headband for all day use.

Passive noise cancellation will allow you to focus on your calls and music without being distracted by the noise around you.

Wired and wireless

Whether you want the convenience of wireless headphones or the long lasting, non-battery draining properties of a wired connection – Avantree AS9 can do both!
