Type: Aria - Bluetooth With Active Noise Cancelling Headphones & Mic **Producer:** Avantree **Color:** Black **Overview:**

Wireless Stereo Active Noise Cancellation Headphones
Avantree Aria features professional Active Noise Cancelling Technology.
Significant noise reduction for travel,

work and anywhere in between, allowing you to focus on what you want to hear and enjoy your music, movies, and videos.

Professional active noise cancellation

This super comfortable Bluetooth Headphone effectively eliminates distracting low frequency background noise while preserving the natural characteristics of source audio all at a switch of a button, significant noise reduction for travel, work and everything in between.

Superior hi-fi sound

Featuring CSR Bluetooth technology combined with high precision-engineered 40mm stereo drivers, our industry leading headset allows you to experience such an amazing sound quality, you have to hear it to believe it.

35hrs long battery life

With a simple 3.5 hour charge, your headphones will allow you to indulge in your movies or tunes for up to 40 hours!

Comfortable & super light

Designed with you in mind, our Bluetooth headphones feature ultra light, super soft protein earpads with swiveling ear cups, and an adjustable and foldable headband perfect for listening on the go.

Crystal clear calls

Voice quality can be enhanced via the detachable and flexible boom microphone to ensure impeccable voice quality on both ends of the call, perfect for professional phone calls.
