

Hard Drive RAID Docking Station 4 Bay "3.5

מק"ט: K35274D

תיאור המוצר

Type: USB3.1 Gen1 type-C to 3.5" SATA III × 4 &HDMI HDD Enclosure **Brand:** MAIWO **Color:** Black **Overview:**

- USB3.1 Gen1 type-C to 3.5"SATAIII×4 &HDMI HDD Enclosure
- Interface: USB TypeC to SATA×4
- USB3.1 GEN1 superspeed up to 5Gbps
- Hardware Raid, Support RAID 0,1,3,5,10, Clone, Large PM function
- Dual Fan for excellent cooling system

High Transmission Speed - This 4 bay external hard drive raid enclosure for 3.5 inch hard drive adopt USB3.1/Type-C protocol, which support positive and negative blind socket. The transfer rate up to 5Gbps, enjoy high speed transmission experience.

7 Raid Modes - This 4 bay hard drive docking station supports RAID0/3/5/1+10, CLONE, LARGE, NORMAL, and it is easily to meet individual storage needs. The theoretical speed of RAID0 is twice that of a single disk, enjoy fast transmission.

Innovative Technology - Equip with HDMI interface, supports 4K Ultra HD video output. Connect with TV, computer and tablet to enjoy your life.

Large Capacity - This 4 bay hard drive enclosure has a total of 64TB capacity so it can do multi-tasks parallel.

Effective Heat Dissipation - This hard drive bay comes with two roll ball fans, and there is a large area of honeycomb holes on one side to make greater heat dissipation.
